

Week of 11/5/2018

- EOG Clarks Creek Central Facility Initial Title V (Last week I created a OOOOa for wellsites section in the permit and one for FBIR FIP enforceability)
- MCP FBIR CS SMNSR out for public comment
- 3 Title V app's in that will presumably drop out of Title V. I have Lo and Suman reviewing them with our SOPs to determine completeness. We had training last week to go over steps to take. Next week when we are in the office we will go over MERLIN fees, FRED, and FDMS.
- Targa Johnson CS in final concurrence
- Worked on Targa Clarks Creek CS draft TV
- Hours worked: 25 hours for Title V, 10 hours for NSR.

Upcoming activities, Week of 11/12/2018

- Continue working through Targa (in concurrence) and EOG Clarks Creek Central Facility Initial Title V (This includes addition of MACT HH- EOG Clarks Creek not yet in concurrence)
- OOOOa public hearing 11/14. I will be in the office for this.
- Assist with any questions that come up for permit review
- UO Pre-app meeting 11/14 with Andeavor
